

# LATITUDE SHOWER SCREENS

## DESIGN

Wintec Systems presents the latest innovation in fully framed & semi frameless designs: **Latitude Shower Screens**.

A fully integrated shower screen suite with Australian influenced design, styling and functionality. The slim clean lines coupled with Australian styled hardware will enhance and compliment your bathroom decor. This low-maintenance design adds not only style but functionality as well.

**Latitude Shower Screens** are a truly innovative design offering a choice of assembly methods, a small compact range of *Australian* custom designed extrusions and hardware components used across multiple design options.

## CHOICE

Semi-frameless with frameless door panels.  
Fully Framed with framed door panels.

Overlap or inline door solutions are all standard features. A choice of an engineered polymer or a premium stainless steel pivot, an Australian minimalist design. Customise your design today with a range of colours to choose from and the option for square or mitre cut corners.

**Latitude Shower Screens** are designed to give you choice and options in the final product without compromising design, features or quality.
